PROFIT WARNING

This announcement is made by Ever Harvest Group Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”) pursuant to Rule 13.09(2)(a) of the Rules Governing the Listing of Securities on The Stock Exchange of Hong Kong Limited and the Inside Information Provisions under Part XIVA of the Securities and Futures Ordinance (Chapter 571 of the Laws of Hong Kong).

The board (the “**Board**”) of directors (the “**Directors**”) of the Company wishes to inform the shareholders of the Company and potential investors that based on a preliminary review on the unaudited consolidated management accounts of the Group for the year ended 31 December 2023 (the “**Reporting Period**”) and information currently available to the Board, the Group expects to record a decrease in the profit attributable to equity holders of the Company of approximately HK\$27.1 million for the Reporting Period, representing a decrease of approximately 98% as compared to the profit attributable to equity holders of the Company of approximately HK\$27.6 million for the corresponding period in 2022 (the “**Corresponding Period**”).

The Board believes that the expected decrease in the profit attributable to equity holders of the Company for the Reporting Period was mainly attributable to (i) the expected decrease in revenue from the Group’s feeder shipping services of approximately HK\$182 million or 37%; (ii) the expected decrease in revenue from the Group’s carrier owned container services of approximately HK\$39 million or 52%; and (iii) the expected decrease in revenue of the Group’s sea freight forwarding agency services of approximately HK\$43 million or 48%, as compared to the revenue for the Corresponding Period as a result of the decline in customer demand for the Group’s services due to a combination of a global economic slowdown and intensifying competition within

mainland China's waterborne trade and freight sector.

The information contained in this announcement is only a preliminary assessment by the Board with reference to the unaudited consolidated management accounts of the Group and information currently available to the Board. Such information has not been audited, confirmed or reviewed by the auditors or the audit committee of the Company. As the Company is still in the process of finalising the annual results of the Group for the Reporting Period, the final results of the Group may be subject to changes and may be different from the information disclosed in this announcement. The Company's announcement regarding the annual results of the Group for the Reporting Period is expected to be published in late March 2024.

Shareholders of the Company and potential investors are advised to exercise caution when dealing in the shares of the Company.
