### GENERAL MANDATES TO ISSUE NEW SHARES AND TO REPURCHASE SHARES

At the last annual general meeting of the Company on 23 May 2025, the Directors were granted (a) a general and unconditional mandate to allot, issue and otherwise deal with additional Shares subject to a restriction that the aggregate number of Shares allotted or agreed to be allotted must not exceed 20% of the number of issued Shares as at the date of the relevant resolution; (b) a general and unconditional mandate to repurchase Shares up to a maximum number equivalent to 10% of the number of issued Shares as at the date of the relevant resolution; and (c) a general mandate to the Directors to add to the mandate mentioned in (a) above those Shares repurchased by the Company pursuant to the mandate mentioned in (b) above.

The above mandates will expire at the conclusion of the AGM. At the AGM, the following resolutions, among other matters, will be proposed:

- (i) to grant the Issue Mandate to the Directors to exercise the powers of the Company to allot, issue and otherwise deal with Shares and securities convertible to Shares subject to a restriction that the aggregate number of Shares allotted or agreed to be allotted must not exceed 20% of the number of issued Shares as at the date of the resolution granting the Issue Mandate at the AGM; and
- (ii) to grant the Repurchase Mandate to the Directors to enable them to repurchase Shares up to a maximum number equivalent to 10% of the number of issued Shares as at the date of the resolution granting the Repurchase Mandate at the AGM.

In addition, a separate ordinary resolution will also be proposed at the AGM to give a general mandate to the Directors to add to the Issue Mandate those Shares repurchased by the Company pursuant to the Repurchase Mandate.

The full text of above resolutions are set out in resolutions numbered 4 to 6 as set out in the AGM Notice contained in pages 17 to 21 of this circular.

The above mandates shall only continue in force until:

- (a) the conclusion of the next annual general meeting of the Company following the passing of the resolution at which time it shall lapse unless, by ordinary resolution passed at that meeting, the mandate is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the Company is required by any applicable law or the Articles of Association to hold the next annual general meeting of the Company; or
- (c) revoked or varied by ordinary resolution of the Shareholders in general meeting, whichever occurs first.

## LETTER FROM THE BOARD

---

The Directors have no present intention to exercise the Issue Mandate or the Repurchase Mandate (if granted to the Directors at the AGM).

As at the Latest Practicable Date, a total of 1,550,000,000 Shares were in issue. Subject to the passing of the proposed resolution granting the Issue Mandate to the Directors and on the basis that no Shares will be issued and/or repurchased by the Company prior to the AGM, the Company will be allowed to issue a maximum of 310,000,000 Shares, representing 20% of the total number of issued Shares as at the date of the resolution granting the Issue Mandate at the AGM.

An explanatory statement containing information regarding the Repurchase Mandate is set out in Appendix I to this circular.

### **RE-ELECTION OF RETIRING DIRECTORS**

By virtue of Article 108(a) of the Articles of Association, Mr. Lau Yu Leung, Mr. Lo Wan Sing Vincent and Mr. Kam, Eddie Shing Cheuk shall retire by rotation and, being eligible, offer themselves for re-election, at the AGM. As at the Latest Practicable Date, each of Mr. Lo Wan Sing Vincent and Mr. Kam, Eddie Shing Cheuk has been serving as an independent non-executive Director for more than nine years. Code Provision B.2.3 of the Corporate Governance Code as set out in Appendix C1 of the Listing Rules stipulated that if an independent non-executive director serves more than nine years, his further appointment should be subject to a separate resolution to be approved by shareholders.

### **Nomination Procedure**

When identifying suitable candidates for directorship, the Nomination Committee will carry out the selection process by making reference to the skills, experience, education background, professional knowledge, personal integrity and time commitments of the proposed candidates, and also the Company's needs and other relevant statutory requirements and regulations required for the positions. All candidates must be able to meet the standards as set forth in Rules 3.08 and 3.09 of the Listing Rules. A candidate who is to be appointed as an independent non-executive Director should also meet the independence criteria set out in Rule 3.13 of the Listing Rules. Qualified candidates will then be recommended to the Board for approval.

To enhance the quality of the performance of the Board and to achieve diversity on the Board, the Board adopted on 10 June 2016 its board diversity policy, and amended such policy on 23 October 2025, pursuant to which (i) all Board appointments will be based on meritocracy, and candidates will be considered against appropriate criteria, having due regard for the benefits of diversity on the Board and also the needs of the Board without focusing on a single diversity aspect; and (ii) selection of candidates will be based on a range of diversity perspectives, including but not limited to gender, age, cultural background and ethnicity, in addition to educational background, professional experience, skills, knowledge and length of service. In accordance with the Rules Governing the Listing of Securities on the Stock Exchange of Hong Kong Limited, the Company shall ensure that the Board and the Nomination Committee include at least one director of a different gender. In the event of non-compliance (e.g. resignation of the sole director of a different gender), the Company shall publish an

---

announcement immediately and appoint a suitable candidate within three months to re-comply with the requirement. If it involves the appointment of an independent non-executive Director, the Nomination Committee shall also consider the perspectives, skills and experience that the person can bring to the Board, and how the person would contribute to the diversity of the Board. The Company shall take into account its own business model and specific needs, and disclose the rationale for the factors it uses for this purpose. The ultimate decision will be based on merit and contribution that the selected candidates will bring to the Board. The Board's composition (including gender, age, and length of service) will be disclosed in the corporate governance report to be included in the annual report of the Company annually.

### **Recommendation of the Nomination Committee**

The Nomination Committee considered Mr. Lau Yu Leung's extensive experience in the freight forwarding industry, familiarity with the operation of the Group, connection with the PRC, working profile and other experience and factors, and was satisfied that Mr. Lau had the required character, integrity and experience to continuously fulfil his role as an executive Director effectively.

The Nomination Committee assessed the independence of Mr. Lo Wan Sing Vincent and Mr. Kam, Eddie Shing Cheuk based on their annual written confirmation of independence given to the Company pursuant to Rule 3.13 of the Listing Rules and confirmed that they remain independent to the Company. Furthermore:

- (i) the Nomination Committee also considered Mr. Lo's qualification, skill and experience, time commitment and contribution, and was satisfied that Mr. Lo had the required character, integrity and experience to continuously fulfil his role as an independent non-executive Director effectively;
- (ii) the Nomination Committee also considered Mr. Kam's extensive experience in taxation, auditing, financial management reporting, and corporate governance of listed companies, his working profile and other experience and factors. The Nomination Committee was in the opinion that Mr. Kam would be able to devote sufficient time to discharge his responsibilities as an independent non-executive Director on the basis that Mr. Kam has profound experience in the accounting field and in acting as the independent non-executive director of various listed companies in Hong Kong. Mr. Kam has also assured the Company that he would be able to devote sufficient time to discharge his responsibilities as an independent non-executive Director. The Nomination Committee was satisfied that Mr. Kam had the required character, integrity and experience to continuously fulfil his role as an independent non-executive Director effectively; and
- (iii) the Nomination Committee noted that each of Mr. Lo Wan Sing Vincent and Mr. Kam, Eddie Shing Cheuk has not participated in any executive management of the Group. The Directors also consider that the long service of each of Mr. Lo Wan Sing Vincent and Mr. Kam, Eddie Shing Cheuk would not affect his exercise of independent judgement. Taking into consideration of each of their independent scope

## LETTER FROM THE BOARD

---

of works in the past years, the Directors consider each of Mr. Lo Wan Sing Vincent and Mr. Kam, Eddie Shing Cheuk is still independent in accordance with the Listing Rules despite the fact that he has served the Company for more than nine years.

In view of the above, the Board believes that the re-election of Mr. Lau Yu Leung as the executive Director and Mr. Lo Wan Sing Vincent and Mr. Kam, Eddie Shing Cheuk as the independent non-executive Directors would be in the best interests of the Company and its Shareholders as a whole.

Accordingly, with the recommendation of the Nomination Committee, the Board has proposed that all the above retiring Directors, namely Mr. Lau Yu Leung, Mr. Lo Wan Sing Vincent and Mr. Kam, Eddie Shing Cheuk stand for re-election as Directors at the AGM. Further information about the Board's composition and diversity as well as the attendance record of the Directors (including the retiring Directors) at the meetings of the Board and/or its committees and the general meetings is disclosed in the corporate governance report set out in the annual report.

The particulars of the Directors proposed to be re-elected are set out in Appendix II to this circular.

Your attention is also drawn to the additional information set out in Appendix I and Appendix II to this circular.

By Order of the Board  
**Ever Harvest Group Holdings Limited**  
**Lau Yu Leung**  
*Chairman*

*This appendix serves as an explanatory statement as required under the Listing Rules to provide the requisite information to the Shareholders concerning the Repurchase Mandate.*

## **1. LISTING RULES FOR REPURCHASES OF SHARES**

The Listing Rules permit companies with a primary listing on the Stock Exchange to repurchase their shares on the Stock Exchange subject to certain restrictions.

The Listing Rules provide that all proposed repurchases of shares must be approved by shareholders of the company in advance by an ordinary resolution in a general meeting, either by way of general mandate or by specific approval in relation to a particular transaction and that the shares to be repurchased must be fully paid up.

## **2. SOURCE OF FUNDS AND IMPACT OF REPURCHASES**

Any repurchase of the Shares under the Repurchase Mandate will be financed from the funds legally available for such purposes in accordance with the Articles of Association, the Listing Rules and the applicable laws and regulations of the Cayman Islands.

A listed company may not repurchase its own securities on the Stock Exchange for a consideration other than cash or for settlement otherwise than in accordance with the trading rules of the Stock Exchange from time to time. Any repurchase of Shares by the Company may be made out of profits or share premium account of the Company or out of proceeds of a fresh issue of Shares made for that purpose or, if so authorised by the Articles of Association and subject to the solvency test and the Companies Act, out of capital. Any premium payable on a redemption or repurchase over the par value of the Shares to be purchased must be paid out of the Company's profits or share premium account, or, if so authorised by the Articles of Association and subject to the solvency test and the Companies Act, out of capital.

The Directors consider that the exercise of the Repurchase Mandate in full will not have a material adverse impact on the working capital or the gearing position of the Company (as compared with the position as at 31 December 2025, being the date of the Company's latest audited consolidated financial statements). The Directors do not propose to exercise the Repurchase Mandate to such extent as would, in the circumstances, have a material adverse impact on the working capital or the gearing position of the Company (as compared with the position as at 31 December 2025, being the date of the Company's latest audited consolidated financial statements) which in the opinion of the Directors are from time to time appropriate for the Company. The number of Shares to be repurchased on any occasion and the price and other terms upon which the same are purchased will be decided by the Directors at the relevant time having regard to the circumstances then pertaining.

### **3. SHARE CAPITAL**

As at the Latest Practicable Date, the issued share capital of the Company comprised 1,550,000,000 Shares.

As at the Latest Practicable Date, there was no outstanding share option granted under the Share Option Scheme.

Subject to the passing of the relevant ordinary resolutions to approve the general mandates to issue and repurchase Shares and on the basis that no further Shares will be issued or repurchased between the Latest Practicable Date and the AGM, the Company would be allowed under the Repurchase Mandate to repurchase a maximum of 155,000,000 Shares, representing 10% of the number of issued Shares as at the date of the resolution granting the Repurchase Mandate at the AGM. The above mandate will expire on the earliest of: (i) the conclusion of the next annual general meeting of the Company following the passing of the resolution at which time it shall lapse unless, by ordinary resolution passed at that meeting, the mandate is renewed, either unconditionally or subject to conditions; or (ii) the expiration of the period within which the Company is required by any applicable law or the Articles of Association to hold the next annual general meeting of the Company; or (iii) revoked or varied by ordinary resolution of the Shareholders in general meeting.

### **4. REASONS FOR THE PROPOSED REPURCHASE OF SHARES**

The Directors believe that it is in the best interest of the Company and the Shareholders for the Directors to have general authority from the Shareholders to enable the Company to repurchase Shares in the market. Such repurchases may, depending on market conditions and funding arrangements at the time, lead to an enhancement of the net asset value of the Company and/or its earnings per Share and will only be made where the Directors believe that such repurchases will benefit the Company and the Shareholders as a whole.

### **5. UNDERTAKING OF THE DIRECTORS**

The Directors have undertaken to the Stock Exchange to exercise the power of the Company to make repurchases pursuant to the Repurchase Mandate in accordance with the Listing Rules, the applicable laws and regulations of Cayman Islands and the Articles of Association.

In addition, neither this explanatory statement nor the Repurchase Mandate has any unusual features.

**6. EFFECT OF THE TAKEOVERS CODE**

If as a result of a repurchase of Shares by the Company, a Shareholder's proportionate interest in the voting rights of the Company increases, such increase will be treated as an acquisition for the purpose of Rule 32 of the Takeovers Code. Accordingly, a Shareholder or a group of Shareholders acting in concert (within the meaning of the Takeovers Code), depending on the level of increase of the Shareholder's interest, could obtain or consolidate control of the Company and become obliged to make a mandatory offer in accordance with Rule 26 of the Takeovers Code, unless a whitewash waiver is obtained. Save as aforesaid, the Directors are not aware of any consequences which would arise under the Takeovers Code as a consequence of any repurchases pursuant to the Repurchase Mandate. As at the Latest Practicable Date, to the best of the knowledge and belief of the Directors, Ever Winning Investment Company Limited (which is wholly and beneficially owned by Mr. Lau Yu Leung) and Ever Forever Investment Company Limited (which is wholly and beneficially owned by Mr. Lau Yu Leung's spouse, Madam Tong Hung Sum) held 1,045,847,999 and 52,500,000 Shares, respectively, which in aggregate represents approximately 70.86% of the total number of Shares in issue of the Company. If the Directors were to exercise the Repurchase Mandate in full, the shareholding percentage of Controlling Shareholders would increase from approximately 70.86% to approximately 78.73% of the total number of Shares in issue of the Company. Such an increase would not give rise to an obligation to make a mandatory offer under Rules 26 and 32 of the Takeovers Code, but would result in the percentage of issued Shares held by the public to be reduced to below the prescribed minimum percentage of 25% required by the Listing Rules.

The Listing Rules prohibit a company from making repurchase on the Stock Exchange if the repurchase would result in the number of shares which are in the hands of the public falling below 25% of the total number of shares in issue (or such other percentage as may be prescribed as the minimum public shareholding under the Listing Rules).

The Directors will not exercise the power to repurchase the Shares if it will cause further concentration of the shareholding of the Company, unless the repurchase of Shares will not cause insufficient public float of the Company.

The Directors will not propose to repurchase Shares as would, in the circumstances, result in the aggregate number of Shares held by the public Shareholders falling below the prescribed minimum percentage required by the Stock Exchange.

**7. DIRECTORS, THEIR CLOSE ASSOCIATES AND CORE CONNECTED PERSONS**

None of the Directors nor, to the best of the knowledge and belief of the Directors, having made all reasonable enquiries, any of their respective close associates has any present intention, in the event that the proposed Repurchase Mandate is approved by the Shareholders, to sell any Shares to the Company. No core connected person of the Company has notified the Company that he/she/it has a present intention to sell any Shares to the Company nor has he/she/it undertaken not to sell any of the Shares held by him/her/it to the Company in the event that the Company is authorised to make repurchases of Shares.

**8. SHARE REPURCHASE MADE BY THE COMPANY**

No repurchase of Shares has been made by the Company (whether on the Stock Exchange or otherwise) during the six months preceding the Latest Practicable Date.

**9. SHARE PRICE**

The highest and lowest prices at which the Shares were traded on the Stock Exchange in each of the twelve (12) calendar months preceding and up to Latest Practicable Date were as follows:

	Shares	
	Highest	Lowest
	<i>HK\$</i>	<i>HK\$</i>
